## FOR IMMEDIATE RELEASE

Company name: Shin-Etsu Polymer Co., Ltd.

Representative: Yoshiaki Ono, Representative Director, President

(Code number: 7970; First Section of Tokyo Stock Exchange)

Contact: Hideaki Hirasawa, General Manager of Accounting & Finance Department

TEL (03) 5289-3716

Parent company: Shin-Etsu Chemical Co., Ltd.

(Code number: 4063; First Section of Tokyo Stock Exchange)

## Notice Regarding Difference Between Non-Consolidated Full-Year Results for Fiscal Year Ended March 31, 2017 and Actual Results for Previous Fiscal Year

Shin-Etsu Polymer Co., Ltd. announces the difference between the non-consolidated full-year results for the fiscal year ended March 31, 2017 and the actual results for the previous fiscal year, as follows.

## 1. Difference between the non-consolidated full-year results for the fiscal year ended March 31, 2017 and the actual results for the previous fiscal year

|                                   | Net sales   | Operating profit | Ordinary profit | Profit      | Earnings per share |
|-----------------------------------|-------------|------------------|-----------------|-------------|--------------------|
|                                   | million yen | million yen      | million yen     | million yen | yen sen            |
| Actual results for previous       |             |                  |                 |             |                    |
| fiscal year                       | 45,251      | 788              | 1,543           | 1,363       | 16.68              |
| (The fiscal year ended March      | 43,231      | /66              | 1,343           | 1,505       | 10.08              |
| 31, 2016) (A)                     |             |                  |                 |             |                    |
| Actual results for current fiscal |             |                  |                 |             |                    |
| year                              | 46,454      | 1,656            | 2,912           | 2,150       | 26.23              |
| (The fiscal year ended March      | 40,434      | 1,030            | 2,912           | 2,130       | 20.23              |
| 31, 2017) (B)                     |             |                  |                 |             |                    |
| Change (B-A)                      | 1,202       | 867              | 1,369           | 786         | _                  |
| Change (percentage: %)            | 2.7         | 110.0            | 88.7            | 57.7        | _                  |

## 2. Reasons for difference

In the Precision Molding Products segment, shipments primarily of products for 300 mm wafers were strong given robust demand for semiconductor-related containers in the semiconductor industry. Combined with the effect of measures including company-wide cost-cutting initiatives, both revenue and profit increased.
